Requirements Division, S/P&P

2 August 1949

Chief, B/EE

Adequacy of OO Reporting

1. Reference is made to your memoranda submitting information obtained from the source designated as P&P No. 1337.

2. It is requested that you convey to OO/C our appreciation for their extremely rapid and thorough handling of our requests for information on Czech steel submitted to the subject case.

3. The timeliness of the response made the information of considerable value in the preparation of a B/EE priority report. Such prompt handling of urgent matters is to be commended highly.
